Dear Dr. Tim Spahr and IAWN Steering Committee,

On behalf of the G.Pascoli amateur Observatory managed by Roberto Bacci and with MPEC code K63 associated at Gruppo Astrofili Montagna Pistoiese MPC code 104. I express the intention to join the International Asteroid Warning Network (IAWN). The G. Pascoli Observatory Since 2015 have the prior activity on providing observations of asteroids, in particular the follow-up Near Earth Objects. The observatory is equipped with a 0.41 meter f.3.2 reflector and performing a constant follow-up activities of NEOCP : several discovery MPECs were having the contribution from the "G. Pascoli Observatory". And performed photometric campaign observations for the Italia Amateurs Association U.A.I. of known asteroids for the determination of the light-curve especially study in fast rotator NEA.

I declare that I have read the IAWN Charter and Statement of Intent and understand the obligations of members.
