Dear Dr. Tim Spahr and IAWN Steering Committee,

On behalf of the G.Pascoli amateur Observatory managed by Roberto Bacci and with
MPEC code **D63** associated (the previous was K63) at Gruppo Astrofili Montagna Pistoiese MPC code 104.

I express the intention to join the International Asteroid Warning Network (IAWN). The
G. Pascoli Observatory Since 2015 have the prior activity on providing observations of
asteroids, in particular the follow-up Near Earth Objects. The observatory is equipped
with a 0.41 meter f.3.2 reflector and performing a constant follow-up activities of NEOCP
: several discovery MPECs were having the contribution from the "G. Pascoli
Observatory". And performed photometric campaign observations for the Italia Amateurs
Association U.A.I. of know asteroids for the determination of the light-curve especially
study in fast rotator NEA.

I declare that I have read the IAWN Charter and Statement of Intent and understand the
obligations of members.
